POUND 4-POUND KNOCKDOWN.

Knock out your toughest weeds with the 4-pound champ.

Makaze® herbicide is simply the most effective 4-pound glyphosate on the market. Makaze contains exclusive Leci-Tech® technology which optimizes drift reduction, droplet retention and penetration — To, On and In the plant, resulting in faster uptake, even in harsh conditions.

Makaze consistently out punches other glyphosates for a pound 4-pound knockdown.

Ask your Crop Production Services dealer about Makaze, or visit Loveland University at www.lovelandproducts.com/LovelandUniversity to learn more.
