

Mess with the BULL... MATADOR[®]-S

A Soybean Pre-Emerge Herbicide

Matador[®] S provides burndown and long lasting residual control of grass and broadleaf weeds. Developed to provide maximum weed control in combination with weed resistance management to combat glyphosate and ALS resistant weeds.

FEATURES & BENEFITS

- Unique formulation with 3 modes of action, broad spectrum weed control in one pass
- Burndown activity and long lasting residual, giving you the best possible start for your crop
- A higher concentration of activities resulting in lower application rate compared to Matador
