

POUND 4-POUND KNOCKDOWN.

Knock out your toughest weeds with the 4-pound champ.

Makaze® herbicide is simply the most effective 4-pound glyphosate on the market. Makaze contains exclusive Leci-Tech® technology which optimizes drift reduction, droplet retention and penetration — To, On and In the plant, resulting in faster uptake, even in harsh conditions. Makaze consistently out punches other glyphosates for a pound-4-pound knockdown.

Contact your local Nutrien Ag Solutions dealer to learn more about Makaze.
