Extract
POWERED BY *Accomplish*[™]

Realize the full nutrient potential of your crop residue with **Extract Powered by Accomplish[™]**, with a powerful new formulation for superior residue management and nutrient release from crop residues.

BENEFITS:

- Maximizes release of nutrients trapped in residue or bound in soil
- Extends nutrient availability later into the season
- Easier plantability in the spring
- More even crop emergence
- Improved yield potential for next season's crop
