RADIATE® Radio
Profitable

:30 RADIO PROFITABLE

Music: (Birds chirping, sounds like springtime, tractor engine)

Music: (upbeat music up and under)

VO: The choices you make for your crops today decide how profitable your yield will be at harvest. Build a strong yield from the roots up with Radiate from Nutrien Ag Solutions.

Radiate’s patented combination of root stimulants boost productivity - up to 20 percent – all season long. Don’t cross your fingers and hope for a strong ear with your crop, take charge of your yield and give crops the best chance at success with Radiate!
